

## **Natural Magic Eco-Herbal Skin Care Announces Acu-Pearl Facial, Gaining Popularity as Face-Lift Alternative.**

**Earth friendly skin care line used by professionals and available online, provides an unique facial treatment utilizing acupuncture and herbal medicine.**

March 19, San Francisco - California based [Natural Magic](#) recently launched their signature [Acu-Pearl Facial](#). The company, which is a member of [The Campaign for Safe Cosmetics](#) and [Green Spa Network](#), provides eco-friendly, natural and organic skin care that replenishes and rejuvenates skin without harmful ingredients. Founder/owner Yvette Dellanini Ward comments "Our facial treatment is quickly gaining popularity as an alternative to more drastic measures, such as a face-lift." The Acu-Pearl Facial utilizes facial acupuncture or acupressure, [pure pearl powder](#), as well as [medicinal herbs](#). The herbal products used contain ingredients which have been used for thousands of years in Traditional Chinese Medicine and dermatology."

Ward also notes that "Consumers are becoming more savvy about all natural, eco-friendly facial treatments, which could be why Natural Magic Acu-Pearl Facial is quickly gaining popularity throughout the United States. Natural Magic is already being used by professionals in Spas, Wellness Centers and Acupuncture offices with positive results. The [Royal Pearl Facial Mask](#) used in the Acu-Pearl Facial was voted by [Organic Spa Magazine](#) as one of the [best facial masks for dull skin](#)."

Tina Schroeder, a San Francisco esthetician notes, " I recently started offering the Acu-Pearl Facial in my skin care studio. I was surprised by the appreciation my clients showed for a natural option to rejuvenate the skin. It also seems to give peace of mind to know the products are safe, reputable and well researched."
